NOTES

From the President

Hello July,
Happy Independence Day!

What a season it's been so far. We've been so busy and we're just getting started. Our club calendar is still full of events & "vette-togethers" for the rest of the season. Again, checking our website, reading these club news letters, and going to our monthly meetings is the best way to keep in touch and stay informed.

For those of you interested in other car shows or cruise-ins, I came across a website called "cliffs calendar.com". He's gathered info and created an extensive list of car related shows and events throughout NJ & PA.

I hope everyone is enjoying their car, our club comradeship, and is having a wonderful summer. See you all at the next meeting.

Yours in corvettes,
Rob Lombardi

NOTES

From the Editor

Greetings, and welcome to the July issue of Corvette Expressions. Summer has just begun, and the past weeks have been filled with car shows, cruises, and picnics!

Beginning with May 30th, club members were treated to stock car races at Wall Raceway, and several drove V.I.P.s around the track in their vettes. Thanks to Bill Nagle for arranging a really fun evening.

Dave Schneiderman organized another lovely cruise on June 6, the *Walk over the Hudson*. Please turn to page 6 for Dave's commentary and some great pictures!

Sunday, June 7, was the annual Beach Bums Corvette Show on Long Beach Island. Corvette Express had some big winners of their own as you will see on page 12.

After getting rained out on June 1, Corvette Nanny rescheduled the evening at the Fireside Grill to the following Monday. Once again, it was very well attended.

Corvettes and ice cream - perfect together - as members gathered June 12 at Jersey Freeze in Freehold.

June 20 was a very special day for club members—the annual picnic at the American Legion picnic grounds in Milltown. It was a wonderful get-together and I have no doubt that everyone had a great time! Special thanks to George and Beverly T. and everyone who helped make this day a great success!

The next meeting will be Wednesday, July 1. See you then!

Walkway Over the Hudson — June 6

Cruise to the Walkway Over the Hudson State Park in Highland NY

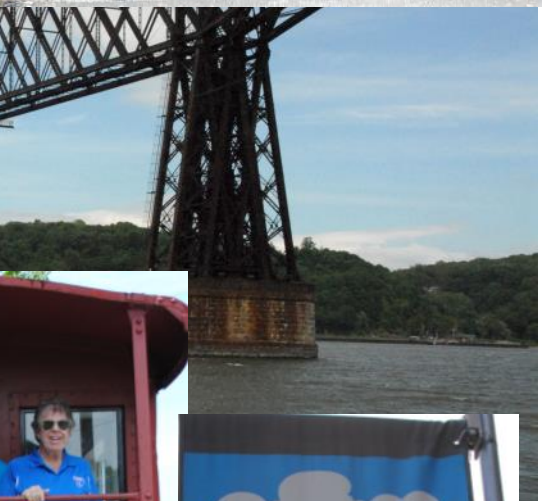

The day started inauspiciously with a light rain in Ocean & Monmouth Counties, but a small group of our intrepid members did prevail & gathered at the Cheesequake Rest Stop. There were five in total...three Corvettes, a BMW & a Cadillac (Corvettes don't melt in the rain y'know!). Fortunately the skies cleared & we were off....north on the Parkway & then I-78, Rt. 24, & I-287 to the NY Thruway. A quick stop at the Sloatsburg Rest Stop for a "health break" then continuing North to I-84 & Rt. 9W to the Walkway Bridge.

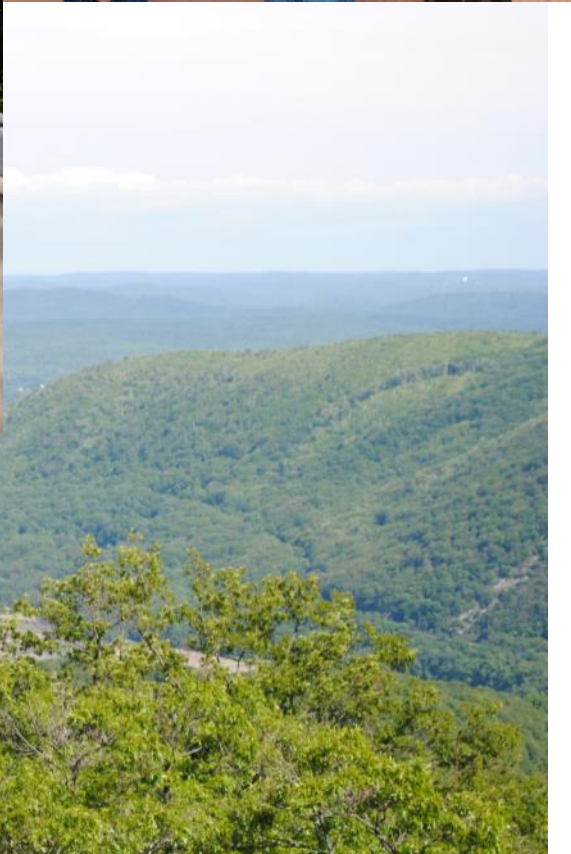

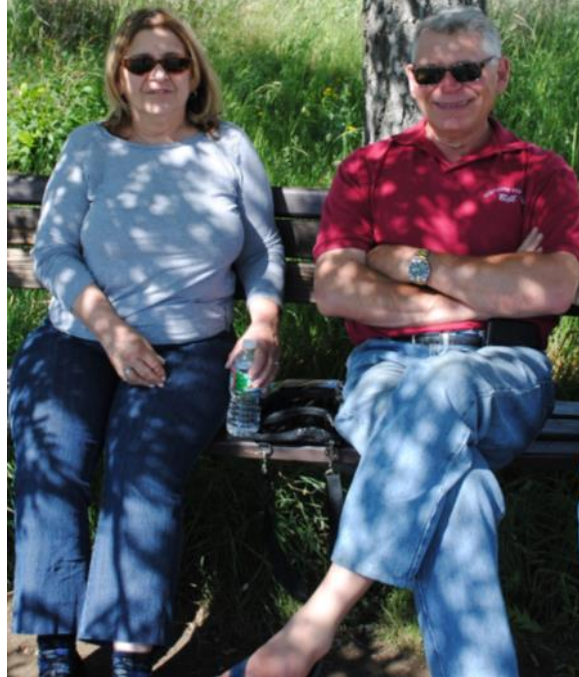

Our intrepid crew walked the entire length of the bridge....1 ¼ miles each way (at least some of us did), as well as riding the elevator on the east side which provided amazing views of this construction marvel.

Then on to the Eveready Diner in Hyde Park. After lunch, we headed back across the river & south on 9W thru Newburgh, over Storm King Mountain, past West Point & into Bear Mountain State Park. We drove up to the Perkins Memorial for spectacular views of the Hudson River Valley (and where Lynne met some Indian ladies in their saris) & then back down into Harriman State Park & 7 Lakes Drive to Rt. 17, I-287 & home.....a total of almost 350 miles!

A good day was had by all....good roads, good scenery, good food & good friends!
